What Are We Looking For?

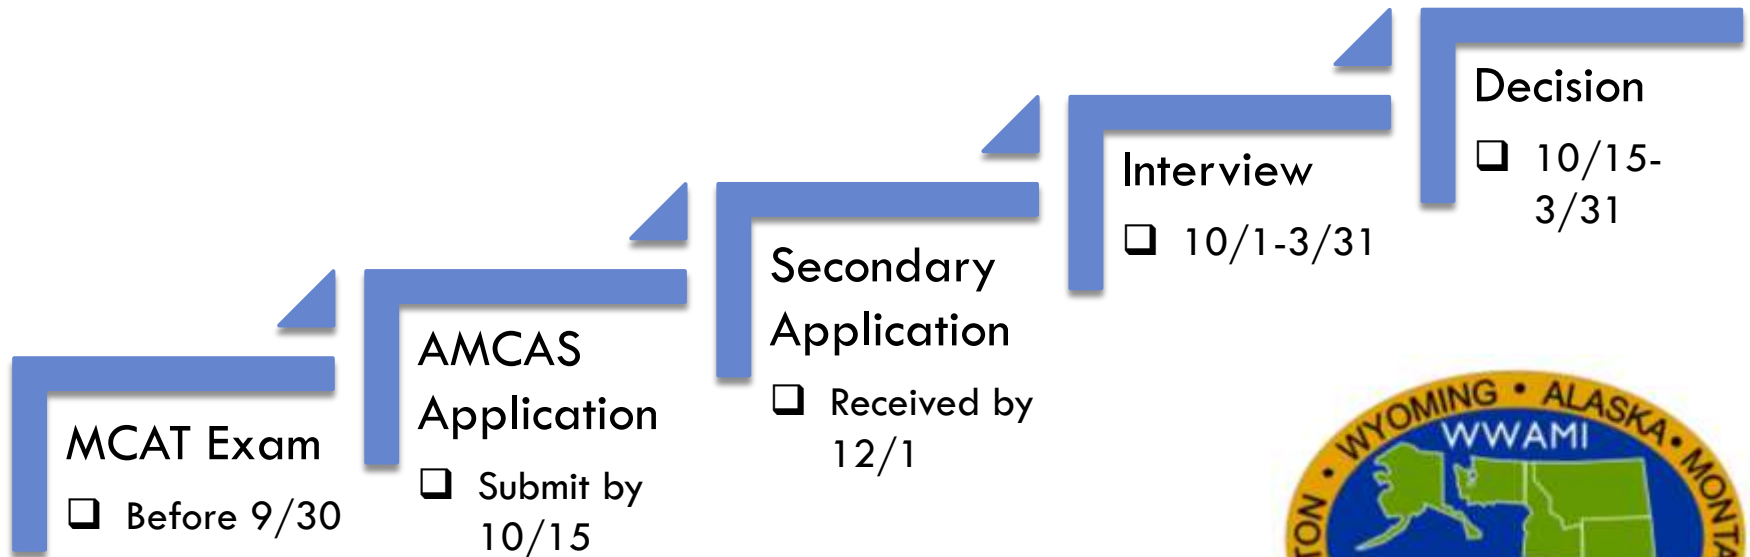

- Students who will meet our mission(s)
- Understanding of the practice of medicine
- Commitment to service and desire to work with patients
- Personal characteristics
 - Maturity, empathy, resilience, responsibility, leadership, strong communication skills, cultural competence
- Analytical thinking and academic ability
- Out-of-region applicants: all of the above, plus disadvantaged background and/or extensive service with the underserved

What is “Holistic Review”?

- Taking into consideration all aspects of the application to provide us with the most accurate impression of the applicant
- Allows for a mission-driven application process

Application Process

AMCAS: The Primary Application

Applying to Medical School with AMCAS®

The American Medical College Application Service® (AMCAS®) is the AAMC's centralized medical school application processing service. Most U.S. medical schools use AMCAS as the primary application method for their first-year entering classes.

2017 AMCAS® Sign In >

This application is for those applying to the 2017 entering class.

As of May 13, 2016 at 8:09 a.m. ET AMCAS is marking as "Received" transcripts delivered on May 9, 2016.

Contact AMCAS®

Monday-Friday, 9 a.m.-7 p.m. ET
Closed Wednesday, 3-5 p.m. ET

Connect with AMCAS

Deadline: October 15th, 2016

AMCAS Processing Fee:
\$160 for one medical school;
\$38 for each additional school.

Getting Your AMCAS Application Ready

- Know the admissions requirements at each school (e.g. deadlines, MCAT/GPA cutoffs, etc.)
- Obtain copies of your transcripts
- Make sure you have access to a computer that meets AMCAS system and browser requirements
- Make payment arrangements

Submitting Your AMCAS Application

- Submitting early is GOOD, but submitting error-free is BETTER!
- Have someone else read your application
- Don't rely on spellcheck; make sure to proofread
- Use print option to check your data as final step before submission
- Ensure successful submission by checking Main Menu

Experiences

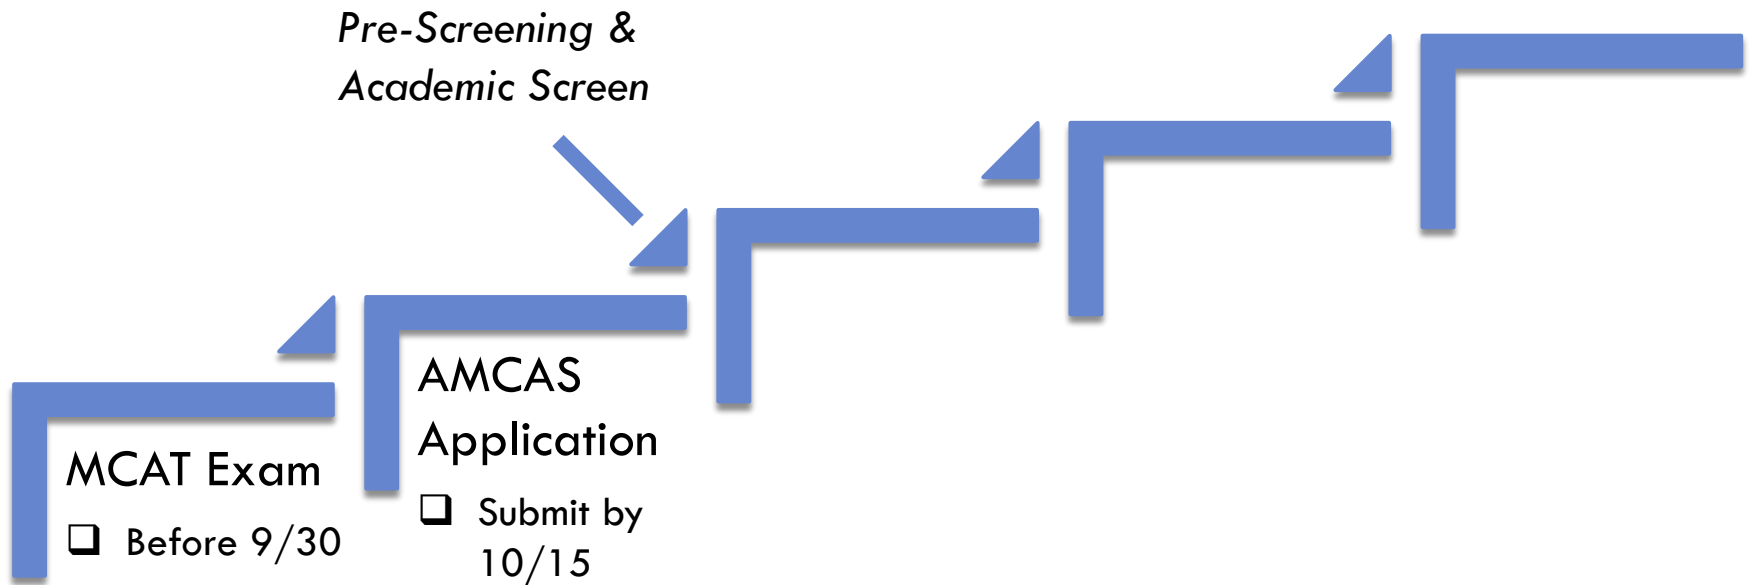

- Reflection, reflection, reflection!
- Don't want a list of what you've done or procedures you've seen
- The Committee wants to know what you have learned, how you've grown, and how your experiences have shaped you
- Make sure to include shadowing, patient exposure, leadership, and service

Personal Statement

For the UWSOM, either your AMCAS statement or secondary application must include:

- A description of prior experiences in health care
- Steps taken to explore a career in medicine
- Eventual goals as a physician
- Motivation for medicine

Application Process

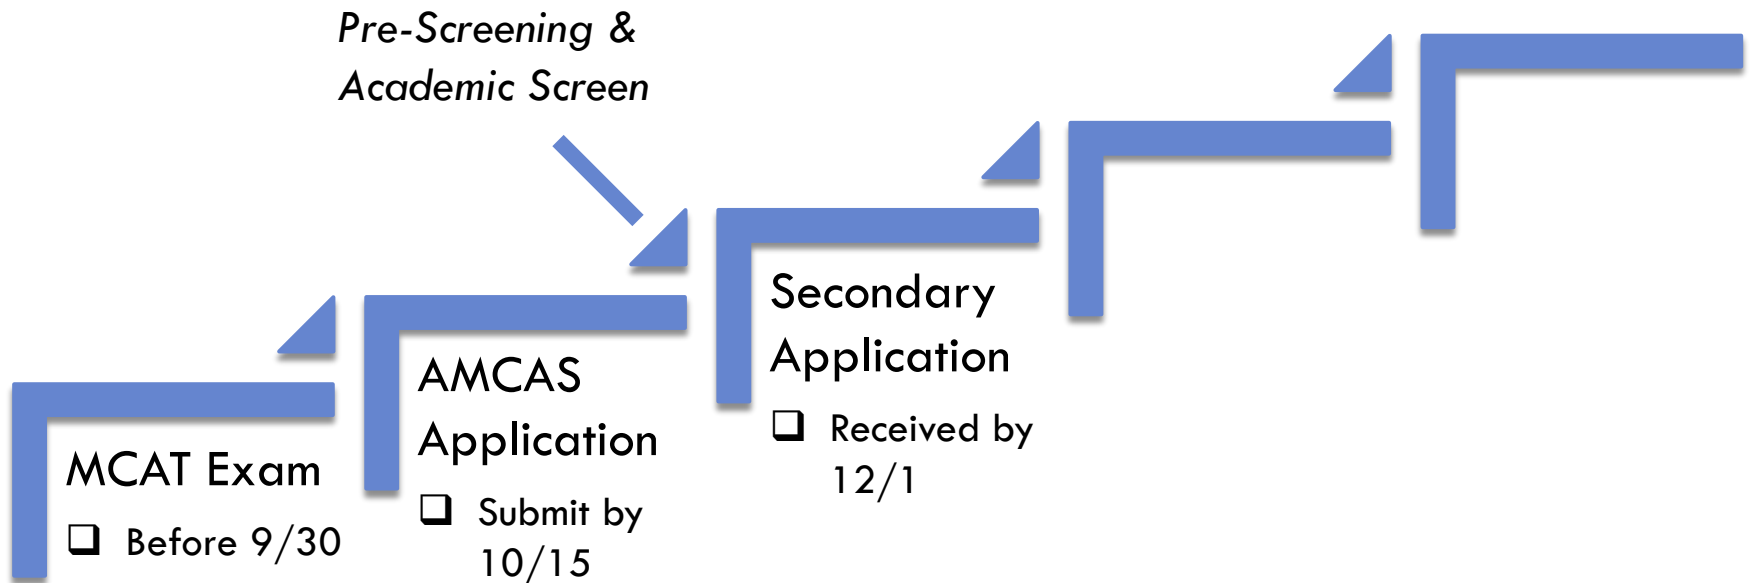

Preliminary Screening

- Applicants with low GPA AND low MCAT score could be rejected
- Applicants without United States permanent residency or citizenship will be rejected
- Applicants with 3 previously completed applications will be rejected

Preliminary Screening

- WWAMI applicants who meet the criteria will be invited to complete a secondary application
- Non-WWAMI applicants who meet the criteria will receive an additional screening, and will be invited to complete the secondary if they:
 - ▣ Come from a disadvantaged background, and/or
 - ▣ Have demonstrated a commitment to working with the underserved

Application Process

UWSOM Secondary Application

The following materials are required to complete the secondary application:

- Additional statements (can see on our website)
- Letters of recommendation
- Idaho residency certification
- \$35 application fee
- TRUST application (optional)

Deadline: December 1st, 2016

Letters of Recommendation

- Required: a committee letter or 3 letters of recommendation
 - ▣ Want to see a well-rounded picture of applicant
- An additional 3 letters will be accepted

Targeted Rural Underserved Track

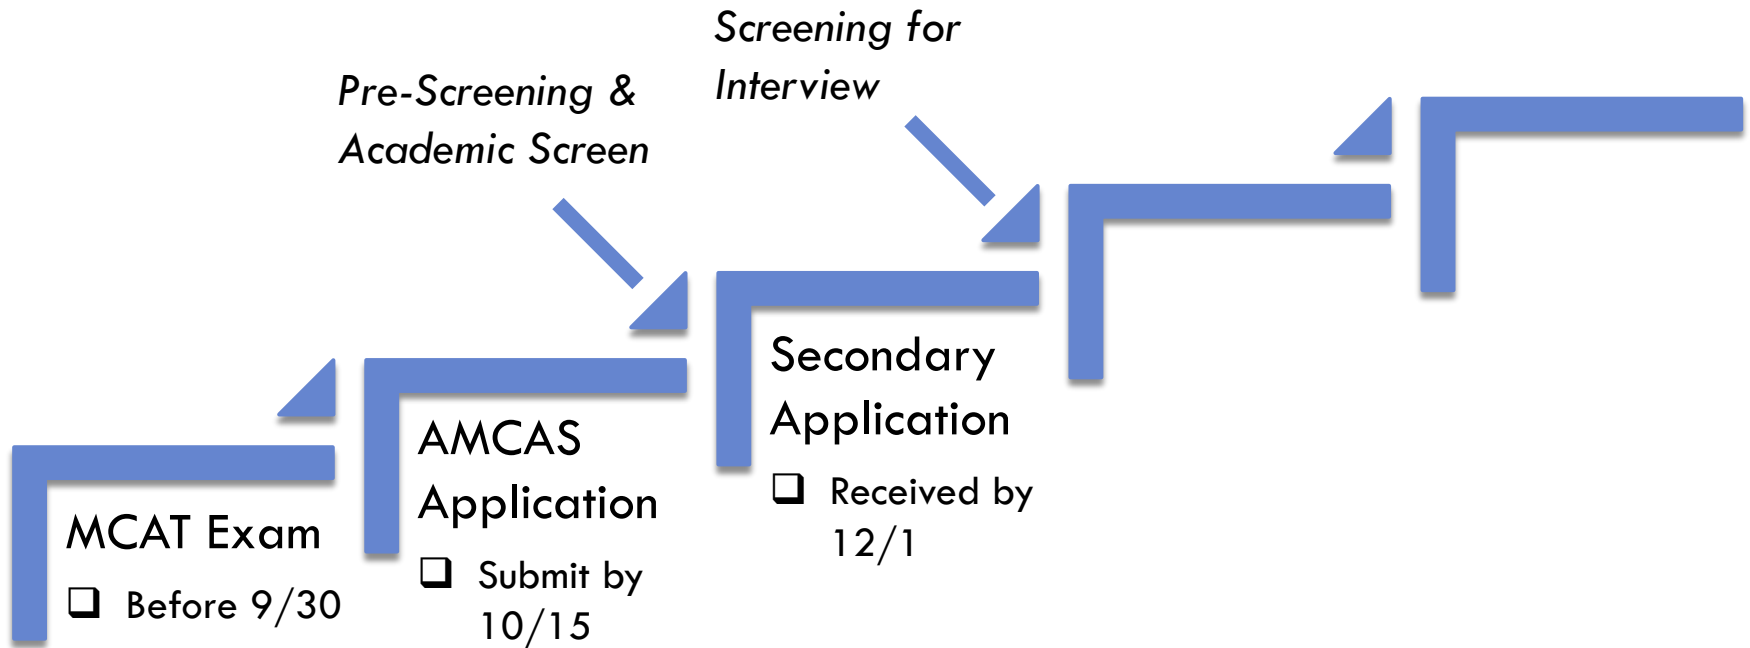

If you're interested in applying to TRUST, you will need to be able to discuss:

- Why you are interested in rural/underserved medicine
- What is different about rural/underserved medicine and what challenges these communities face
- Examples and specifics from what you have witnessed in a rural/underserved setting

Premedical Course Requirements

- 4 semesters or 6 quarters of Social Sciences or Humanities
- 6 semesters or 9 quarters of Chemistry and Biology
 - General chemistry, general biology, biochemistry, molecular genetics, and cell biology/cell physiology
- 2 semesters or 3 quarters of Physics; or 1 semester or 2 quarters of Physics plus 1 semester or 2 quarters of calculus or linear algebra

Application Process

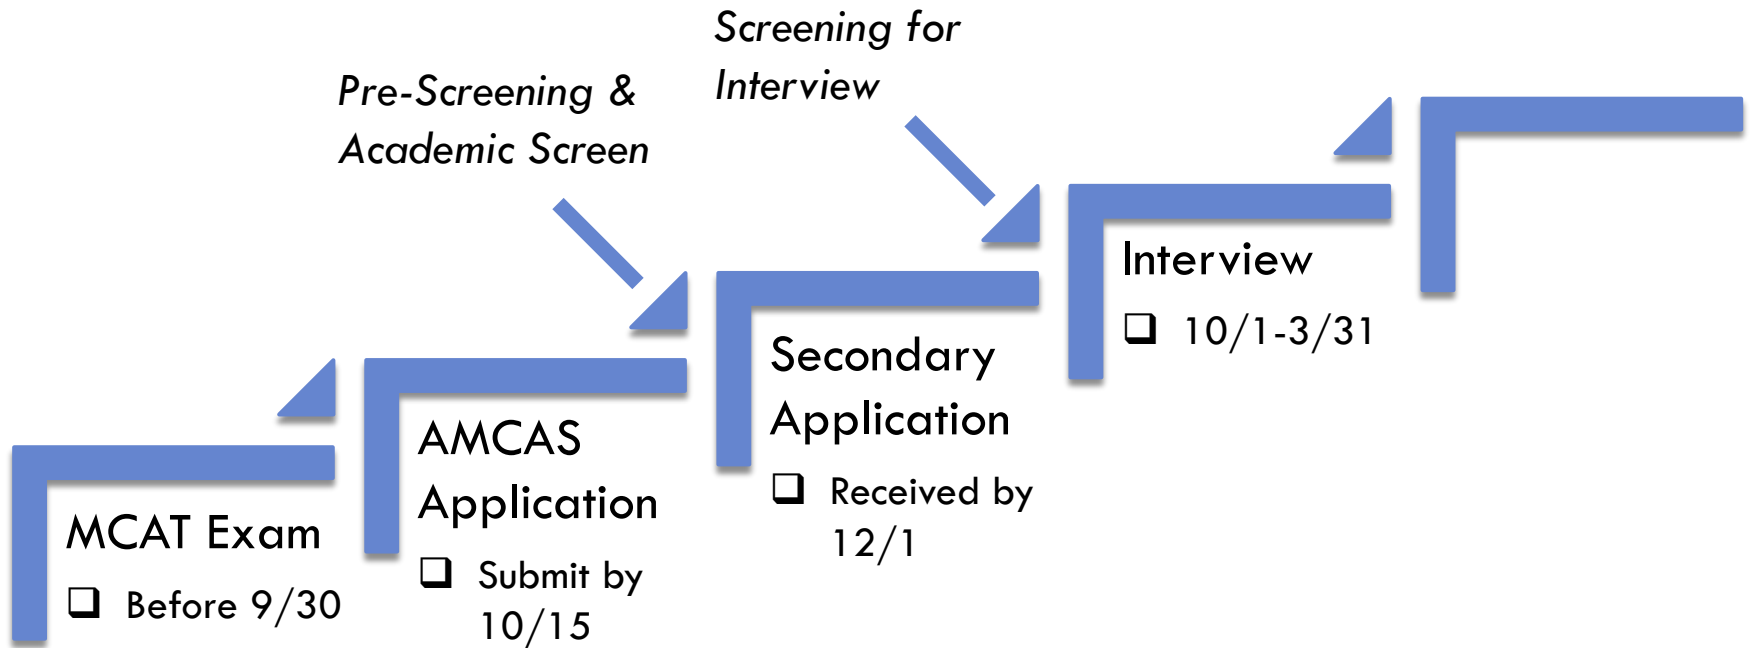

Screening Applications

- Complete applications are reviewed by two to three screeners to determine whether an applicant will interview
- Idaho applicants with two negative screens will go to the Idaho Executive Committee Member for a final review
- Screening process and interview invitation can take up to six weeks

Considerations When Screening

- Experiences/Activities
 - ▣ Shadowing
 - ▣ Experiences that are consistent with goals
- Academic Ability
 - ▣ Upward trajectory
 - ▣ GPA and MCAT are consistent
- Clear and coherent motivation for medicine
- Letters of recommendation

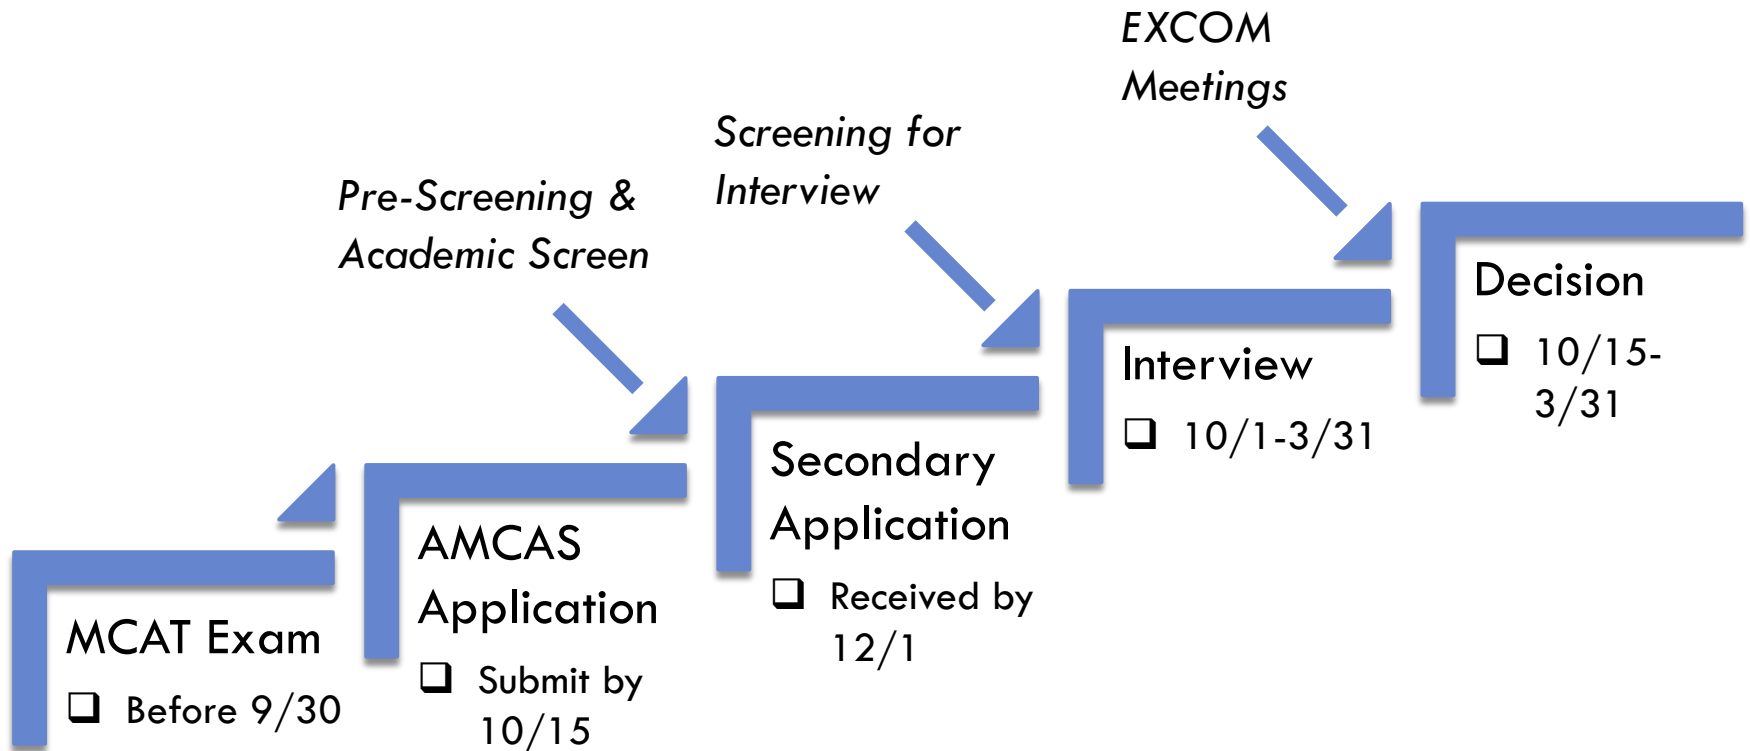

Application Process

Interviews

- Panel interviews: 30 minutes, three interviewers + applicant
- Executive Committee member (EXCOM) has your complete file, but two other interviewers will not see MCAT scores or grades
- Interview impressions and recommendations are forwarded to Executive Committee
- All Idaho residents will interview in Boise during one week in January or one week in February; interviews are scheduled approximately one month in advance

Application Process

Final Decisions

- Washington/out-of-region applicants will be accepted throughout the interview season, from October-March
- Idaho applicants will receive an update on their application after their interview week concludes
- Final decisions for all Idaho applicants will be sent out after second week of interviews in February
