*Required clinical rotations or clinical electives taken during March 2020, April 2020 or May 2020 are pass/fail, EM, neurology/neurosurgery and APC can be met via online course during spring quarter 2020.

MSTP students are only required to complete 16 weeks of clinical electives pre-COVID-19. The clinical electives are adjusted accordingly for G2020.

Students who complete CBSR receive credit for one clinical elective pre-COVID-19. The clinical electives are adjusted accordingly for E16.

Expansions - should meet requirements of group with which they will graduate.

Clinical credit: 2 credit per week
