Molecular Cellular Basis of Disease MCBD 9/08 - 10/23	TM Week 1 10/26 - 10/29	Invaders & Defenders INDE 11/02 - 12/18		Circulatory Systems CPR 1/04 - 3/12/2021	TM Week 2 3/23 - 3/26	Energetics & Homeostasis ENHO 3/29 - 5/07		TM Week 3 5/11 - 5/14	Musc uo- skel MSK 5/17 - 5/28	Blood & Cancer B&C 6/01 - 6/18		
Research Methods					Foundations of Clinical Medicine							
Foundations of Clinical Medicine					Foundations of Clinical Medicine							

Summer Break 6/21 - 6/25	Summer 2021 ~ <u>60 hrs/week</u>		Fall 2021 – <u>60 hrs/week</u> *			Winter Break 12/20/21 - 12/31/21	Winter 2022 – <u>60 hrs/week</u>		Spring 2022 <u><80 hrs/week</u>	
	Independent Investigative Inquiry (III) Dates vary (from 6/28 – 9/03) ~30-35 hrs/week (6-9 weeks)		Mind, Brain, & Behavior MBB 9/07-11/05	TM Week 4 11/09-10 & 11/12	Lifecycle LIFE 11/15 - 12/17		Foundations Capstone, Consolidation, & Transition to Clerkship (Consolidation includes Step 1 Prep) 1/03 - 3/25/2022		Start of Clerkships March 28, 2022	
	Step 1 Independent Study ~15-20 hrs/week		Foundations of Clinical Medicine							
	If needed: Remediation ~ 10 hrs/week **									

* We expect medical school to be a full-time commitment, which does not allow for non-medical school courses. The estimated 60 hrs/week includes pre-class preparation, class time for listed courses, and anticipated independent study time for consolidation of learning.

** Independent Investigative Inquiry (III) course work and Step 1 Independent Study time may be adjusted to accommodate remediation course work in consultation with SOM leadership.

TM : Themes in Medicine. Themes may include: Lifelong learning, health equity, diversity, global, population & public health, ethics, Interprofessional Education, Hlth Systems, systems improvement, social determinants of health.

NOTE: All official course calendars and required events in the Foundations Phase are managed through our Curriculum Management System, Elentra.
