### FAMED 690 P-One Health Clinical Elective

#### EF Clinical Electives

"One Health" recognizes the intricate links between the health of humans, animals and the environment. This elective provides an academic conceptual framework and clinical exposure through which to explore the multitude of applications of the "One Health" paradigm in a multidisciplinary context. Students will gain experience working with interdisciplinary teams including veterinarians and physicians on species-spanning approaches to health. Prerequisite: Permission of Course Instructor. Offered: AWSpS.

**Curriculum Notes:** None

2 or 4 weeks full-time

4 to 8 credits

4 weeks is High Pass/Honors eligible; 2 weeks is Pass/Fail only

**Has pre-reqs:** Yes

Pre-Requisites: Prerequisite: Permission of Course Instructor

**Requires Permission:** Yes; Email: Dr. Peter Rabinowitz

Dept. Response Time: 5-10 Business Days

**Compliance & Drug Testing:** Varies by site, please contact clerkship administrator. VA: Requires extensive credentialing paperwork

HMC; Seattle, WA

Notes: Availability determined by site.

### FAMED 697 P-Family Medicine Special Electives

#### EF Clinical Electives

Supplemental experience in rural/urban practice or a family medicine department in a setting not already established through the UW SOM family medicine curriculum.

**Curriculum Notes:** None

2 or 4 weeks full-time

**Max 24 credits**

4 weeks is High Pass/Honors eligible; 2 weeks is Pass/Fail only

**Has pre-reqs:** Yes

Pre-Requisites: By department permission, Department and Site may have additional requirements.

**Requires Permission:** Yes; Email: fmclerk@uw.edu

Dept. Response Time: Application Process

**Compliance & Drug Testing:** Varies by site, please contact clerkship administrator. VA: Requires extensive credentialing paperwork

AWAY Site; AWAY, AWAY

Notes: Application process required: https://sites.uw.edu/medevalu/special-assignment-electives/

### FAMED 699 P-WWAMI Family Medicine Special Electives

#### EF Clinical Electives

By special arrangement for qualified students, special clerkships or externships may be available at institutions other than the University of Washington located within the WWAMI region.

**Curriculum Notes:** None

2 or 4 weeks full-time

**Max 24 credits**

4 weeks is High Pass/Honors eligible; 2 weeks is Pass/Fail only

**Has pre-reqs:** Yes

Pre-Requisites: By department permission, Department and Site may have additional requirements.

### PEDS 695 Pediatric Hematology & Oncology (2 wk) - SCH

**EF Clinical Electives**

One-on-one teaching plus four weekly didactic sessions. Specific training in techniques and interpretation of bone marrow aspirations, intravenous chemotherapy, transfusions, and laboratory techniques of hematologic evaluation. Self-learning programs available. (Two or four weeks, full-time. Limit per rotation: one student).

**Curriculum Notes:** None

- **2 weeks full-time**
- **4 credits**
- **Pass/Fail only**
- **Has pre-reqs:** Yes
- **Pre-Requisites:** Completion of Patient Care Phase Peds, IM and Ob/Gyn required clerkships
- **Requires Permission:** No
- **Availability Posted in E*Value**

### PEDS 696 Pediatric Endocrinology (2 wk) - SCH

**EF Clinical Electives**

Focuses on the evaluation of the normal progression of hormone mediated processes in children and the recognition, diagnosis, and management of a variety of endocrine problems. Includes participation in clinics, inpatient endocrine rounds, and a variety of conferences at Seattle Children's Hospital. (Limit per rotation: one student.)

**Curriculum Notes:** None

- **2 weeks full-time**
- **4 credits**
- **Pass/Fail only**
- **Has pre-reqs:** Yes
- **Pre-Requisites:** Completion of Patient Care Phase Peds required clerkship
- **Requires Permission:** No
- **Availability Posted in E*Value**

### PEDS 697 P-Pediatric Away Elective

**EF Clinical Electives**

By specific arrangement, for qualified students, special clerkship externship or research opportunities at institutions other than University of Washington. The faculty can advise of possible opportunities. Obtain special assignment form from the Department of Pediatrics at least one month before preregistration.

**Curriculum Notes:** None

- **2 or 4 weeks full-time**
**Max 24 credits**

4 weeks is High Pass/Honors eligible; 2 weeks is Pass/Fail only

**Has pre-reqs: Yes**

Pre-Requisites: By department permission, Department and Site may have additional requirements.

Requires Permission: Yes; Email Peds medical student program: medical.students@seattlechildrens.org

Dept. Response Time: Application Process

Compliance & Drug Testing: Varies by site, please contact clerkship administrator. VA: Requires extensive credentialing paperwork

AWAY Site; AWAY, AWAY

Notes: Application process required: https://sites.uw.edu/medevalu/special-assignment-electives/

**PEDS 698 - Pediatric Boot Camp: Pediatric Advanced Therapeutics**

**EF Clinical Electives**

Focuses on what is needed on day one of internship to care for children through hands-on experience, simulation, group problem solving, role-playing, didactics, and supplemental reading material. Emphasizes the acquisition and practice of core skills. Themes include communication, procedural competency, and medical decision making pertinent to both inpatient and outpatient pediatrics.
