

# Entering Class of 2021 Foundations Phase Quarterly Schedule and Time Commitment

<b>Fall 2021 – <u>60 hrs/week</u> *</b>			Winter Break 12/20/21 - 1/02/22	<b>Winter 2022 – <u>60 hrs/week</u> *</b>			Spring Break 03/14 - 03/18	<b>Spring 2022 – <u>60 hrs/week</u> *</b>				
Molecular Cellular Basis of Disease MCBD 9/07 - 10/22	TM Week 1 10/25 - 10/29	Invaders & Defenders INDE 11/01 - 12/17		Circulatory Systems CPR 1/03 - 3/11/2022	TM Week 2 3/21 - 3/25	Energetics & Homeostasis ENHO 3/28 - 5/06		TM Week 3 5/09 - 5/27	Musculo-skel MSK 5/16 - 5/27	Blood & Cancer B&C 5/31 - 6/17		
Research Methods					Foundations of Clinical Medicine							
Foundations of Clinical Medicine					Foundations of Clinical Medicine							

Summer Break 6/27 - 6/24	<b>Summer 2022 ~ <u>60 hrs/week</u></b>		<b>Fall 2022 – <u>60 hrs/week</u> *</b>			Winter Break 12/19/22 - 1/02/23	<b>Winter 2023 – <u>60 hrs/week</u></b>		<b>Spring 2023 <u>&lt;80 hrs/week</u></b>	
	Independent Investigative Inquiry (III) Dates vary (from 6/27 – 9/16) ~30-35 hrs/week (6-9 weeks)		Mind, Brain, & Behavior MBB 9/19-11/10	CBSE 11/14 Break 11/15 - 11/16	Lifecycle LIFE 11/17 - 12/16		Foundations Capstone, Consolidation, & Transition to Clerkship <i>(Consolidation includes Step 1 Prep)</i> 1/03 - 3/24/2023		Start of Clerkships March 27, 2024	
	Step 1 Independent Study ~15-20 hrs/week		Themes in Medicine - online asynchronous				Foundations of Clinical Medicine			
	If needed: Remediation ~ 10 hrs/week **		Foundations of Clinical Medicine							

\* We expect medical school to be a full-time commitment, which does not allow for non-medical school courses. The estimated 60 hrs/week includes pre-class preparation, class time for listed courses, and anticipated independent study time for consolidation of learning.

\*\* Independent Investigative Inquiry (III) course work and Step 1 Independent Study time may be adjusted to accommodate remediation course work in consultation with SOM leadership.

TM : Themes in Medicine. Themes may include: Health equity, diversity, global, population & public health, ethics, interprofessional education, health systems, systems improvement, social determinants of health.

NOTE: All official course calendars and required events in the Foundations Phase are managed through our Curriculum Management System, Elentra.
