Notes

1. All clerkship timeframes must start on a Monday and end on a Friday.
2. Since the University of Washington is on a quarter system, clerkships offered by the UW School of Medicine must take place within the 12-week quarter and cannot overlap with breaks or extend into another quarter. Exceptions can be made on a case-by-case basis if a UW medical student is taking a "697" away clerkship at another LCME accredited institution.
