

***Please note that you must refrain from signing up for non-clinical electives, preceptorships, or shadowing experiences which conflict with your classes or required activities. This includes EXAMS, anatomy labs, blocks or classes, college hospital tutorials, clinical skills, primary care practicum, and Medicine Health & Society I or II. Please contact the non-clinical elective course director for permission to accommodate an occasional absence from the elective if your schedule allows you to attend most of the assigned elective class times.**

WRT EXAMS: If there are any exam conflicts with your chosen elective, then the exam MUST take precedence---SOM exams cannot be missed to attend any elective coursework.

Courses highlighted below IN YELLOW may conflict with required coursework. Please schedule accordingly.
