

UW HCOP AMBASSADORS PROGRAM

PROGRAM

The Health Careers Opportunity Program (HCOP) National Ambassador Program is a 2 year longitudinal, integrated curriculum-based program designed to assist health professional **students from disadvantaged backgrounds** with matriculating through the educational ecosystem to manifest their dreams of a career in healthcare.

WE PROVIDE

- A-synchronous modules on topics such as social determinants of health, health equity, health disparities, current and emerging health issues, and behavioral health
- Events to network with other students and area health professionals
- An opportunity to develop skills relevant for today's rural and underserved healthcare
- Stipends (minimum \$500, maximum \$1000)

REQUIREMENTS

- Complete Asynchronous modules
- Complete elective clinical training such as the UWSOM RUOP or UWSOD RIDE
- Mentor younger students interested in healthcare careers
- Complete a research project on a community health topic

This project is/was supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant FAIN number D1850061 for the WA HCOP Academy through the University of Washington in the total amount of \$639,706 for the 2023-2024 fiscal year. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.

ARE YOU ?

- **Economically disadvantaged or**
- **First in your family to go to college or**
- **Graduated from a high school with low funding or low percentages of seniors receiving a high school diploma or graduates who went on to college**

Taking applications now for the 2024 Cohort!
