Bill Cutrer, MD. MEd, FAAP

Dr. Cutrer is an Associate Professor of Pediatrics in the Division of Pediatric Critical Care Medicine at Vanderbilt University School of Medicine (VUSM). He received his MD with high distinction from the University of Kentucky College of Medicine and completed his Pediatrics residency, chief residency, and Pediatric Critical Care fellowship at Baylor College of Medicine and Texas Children's Hospital. He also has a Master of Education degree from the University of Cincinnati.

Dr. Cutrer has published and presented widely on how students learn in the workplace and how to help them more effectively. He co-led the AMA's Accelerating Change in Medical Education initiative Master Adaptive Learner Working Group and is the leader of the Vanderbilt core team participating in the AAMC pilot project Core Entrustable Professional Activities for Entering Residency (Core EPAs).
