

# OFFICE FOR HEALTH EQUITY AND INCLUSION

## Health Equity Visiting Clerkship for Senior Medical Students

The Health Equity Visiting Clerkship is a 4-week experience sponsored by the Office for Health Equity and Inclusion at Michigan Medicine for M3 and M4 students. The aim of the clerkship is to diversify the pathway and develop leadership skills to advance diversity, health equity, and inclusion.

## Health Equity Visiting Clerkship

**Together with critical stakeholders, we are committed to:**

- Improving the health and well-being of those underserved and underrepresented in health care through continuous quality improvement initiatives, health equity research, inclusion science, implementation science, outcomes research, and community based participatory research.
- Creating health equity and inclusion best practices for patient care and pathway programs for learners, faculty, and staff.
- Transforming health care by creating a climate and culture that promotes inclusion, cultural sensitivity, diversity, and health equity.
