

***Please note that you must refrain from signing up for non-clinical electives, preceptorships, or shadowing experiences which conflict with your classes or required activities.** This includes EXAMS, anatomy labs, blocks or classes, college hospital tutorials, clinical skills, primary care practicum, and Medicine Health & Society I or II. Please contact the non-clinical elective course director for permission to accommodate an occasional absence from the elective if your schedule allows you to attend most of the assigned elective class times.

WRT EXAMS: If there are any exam conflicts with your chosen elective, then the exam MUST take precedence---SOM exams cannot be missed to attend any elective coursework.

Courses highlighted below IN YELLOW may conflict with required coursework. Please schedule accordingly.
