

2026 AAMC GRADUATION QUESTIONNAIRE (GQ) VISUAL REPORT

Key Findings & National Benchmarks

PREPARED BY OFFICE OF EDUCATIONAL QUALITY IMPROVEMENT (EQI)

For any questions, please contact eqi@uw.edu

2026 GQ Positive Trends

90%

of UWSOM survey items showed increased agreement from 2025

139 of 154 items

Basic science preparation for clerkships and electives

93%

of disciplines improved since 2025

Every discipline rated above the national percentage

Student affairs, and student services

100%

of service items improved since 2025

Covers administrative responsiveness, academic advising, financial aid, debt management, counseling, and career planning

Faculty professional behaviors and attitudes

100%

of items improved since 2025

90 percent of items rated above the national average

TAKEAWAY

Students continue to see value in their education, feel prepared for residency, and recognize strong teaching and student support. The opportunity is to preserve this momentum consistently across departments, sites, and teams.

WHO ARE OUR STUDENTS? (220 STUDENTS, MOSTLY E22)

Response rate

77%

220 of 284 graduates

Women | Men

66% | 34%

National Women: 57%

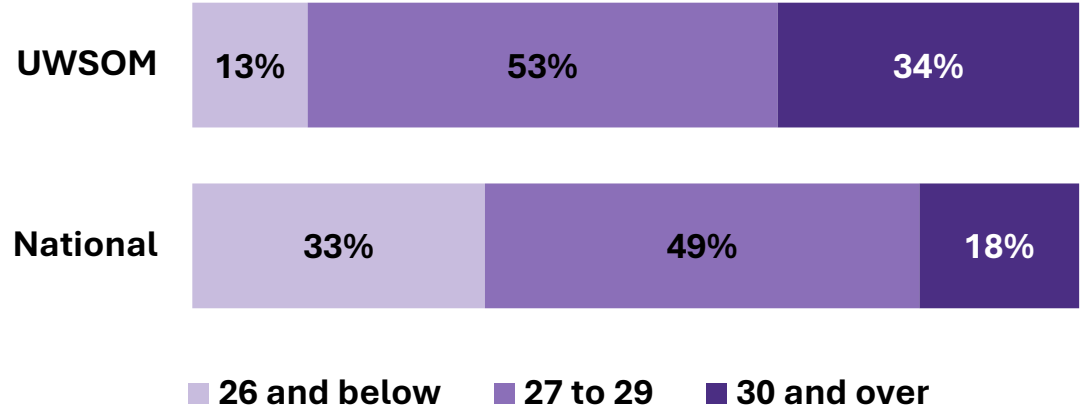

Cohort

E22

Majority of respondents

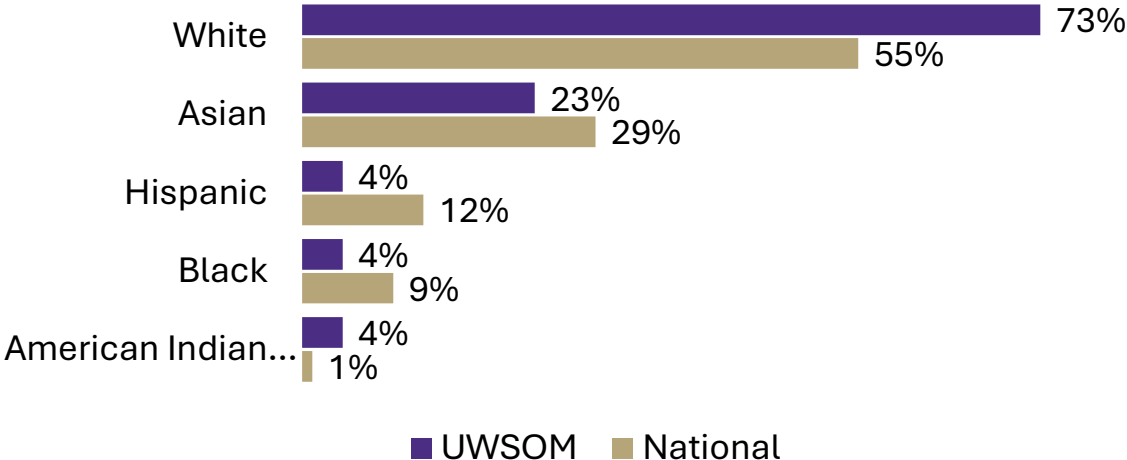

Age at graduation

Percent of respondents in each age band

Race and ethnicity

Multiple selections allowed, so values exceed 100 percent

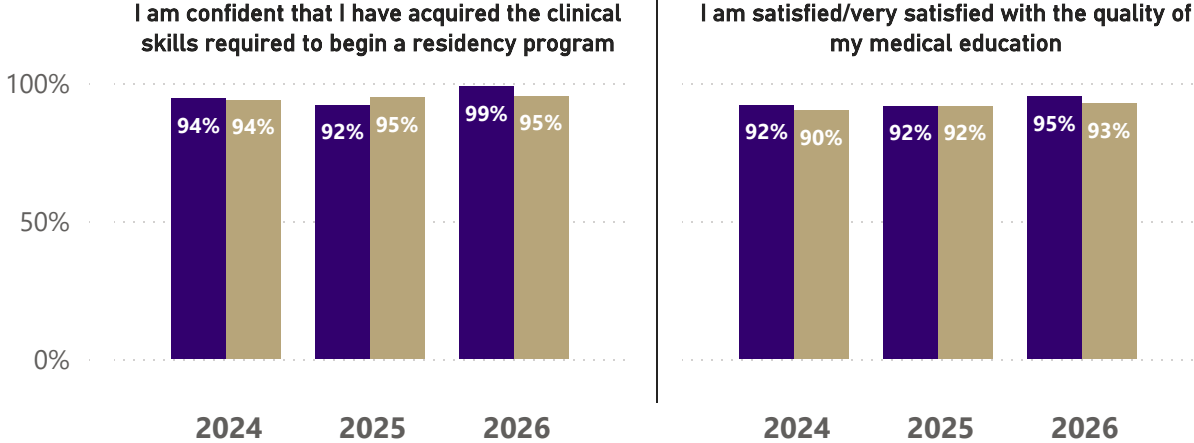

Source: AAMC Graduation Questionnaire, 2026 data. Comparison group is all national GQ respondents. Survey items use a five-point scale; for reporting, strongly disagree and disagree are combined, as are agree and strongly agree.
